

# The Happy Way to Wash

Electric Washing Machines make a pleasure out of one of the hardest household tasks.

They pay for themselves in a short time.

Telephone the Commercial Department and we will send a machine and demonstrator to do your week's washing in your own home as a FREE demonstration.

Electricity can do many things to help the tired housewife—and does them cheaply.

## HIBERNIANS.

What They Have Been Doing the Past Week—General News Notes.

Division 4 will meet next Monday evening.

Denver Hibernians cleared \$1,500 at their Fourth of July reunion.

Many local members are acquainted with the new National President, Judge Deery, of Indianapolis.

Division 3 will meet next Friday evening and arrange to boost the Social Club moonlight excursion.

The Hibernian Social Club has secured the Steamer East St. Louis for a moonlight excursion August 11. The Hibernian ball team will meet the Alumn club tomorrow for the third time, each having a game, and a battle royal is expected.

South Omaha Hibernians mourn the death of another of their faithful old members, Luke Gaughan, under whose auspices his funeral was held.

Upon his return from the National convention A. G. Williams, a prominent young attorney of New Orleans, will lead a vigorous movement for a bigger Hibernian membership and interest in Louisiana.

Mrs. Will Harrington, Mrs. P. Sullivan, Miss Anna Gallagher and Mrs. John Conney, the President, will be the delegates for Division 7, Ladies' Auxiliary of Indianapolis, to the State convention to be held in Fort Wayne.

Los Angeles Hibernians endorsed P. P. O'Brien, their County President, for State President at their convention held in San Francisco this week. His splendid record as County President for three terms commended him for the position.

Rev. Michael Mennis, of Cripple Creek, won storms of applause and the weight-throwing contest at Denver, hurling a fifty-six-pound weight nineteen feet and eight inches without "follow." He was a former champion of Australia at this sport.

The Denver Hibernians voted to give Right Rev. Bishop Totten \$500 to cover the expenses of his trip as a delegate to San Francisco, but he refused the gift, turning the money back to the order to be used in any way to assist the cause for the freedom of Ireland.

## LEADERS HONORED.

In recognition of their untiring work for the soldiers during the war, James A. Flaherty, of Philadelphia, Supreme Knight of the Knights of Columbus, and District Attorney Joseph C. Pelletier, of Boston, Supreme Advocate of the organization, have been specially honored by Pope Benedict XV. by elevation to the rank of Knight Commander of St. Gregory the Great. Cable dispatches announcing the bestowal of this honor upon the two K. of C. officials were received last week.

Messrs. Flaherty and Pelletier have been constantly active in K. of C. war relief work as members of the K. of C. Committee on War Activities. The Knighthood of St. Gregory is one of the highest honors that a Catholic layman can receive from the church. A few weeks ago William P. Larkin, of New York, Overseas Director of the K. of C., and Edward L. Hearn, of New York, Overseas Commissioner, were similarly honored. Supreme Knight Flaherty and District Attorney Pelletier are now engaged with Supreme

FOR A GREATER LOUISVILLE.

## Turn Your Vacant Lot Into a Paying Investment

OWN YOUR OWN HOME AND AVOID HIGH RENTS

## You Waited Years For an Opportunity Like This—You'll Wait Years Again

Have you seen people hunting this town over for a place to live? Have seen rents? Then meet the demand by building a house on that vacant lot, and turn it while you have a "top market." If you want a safe, sure, certain investment, buy a lot and build a house on it. Don't wait for prices to go down—they aren't going down for years. The time to build is when the market is good. Prices may be high—so are your returns.

Have you planned to own your own home? Then now, if ever with rents going still higher, is the time to build just what you've wanted and move into it.

You can get materials and labor and deliveries now—a few months hence, when the building and Reconstruction movement is in full swing you'll wonder why you pass the chance you have now.

Every house you build releases another home or apartment—adds to the prosperity of the city—adds to your prosperity. Talk this over with your contractor and start figuring today.
